The 3rd International Conference on Ethics and Policy of Biometrics and International Data Sharing - 4th January, 2010 - 5th January, 2010

The 3rd International Conference on Ethics and Policy of Biometrics and International Data Sharing is organized by The Hong Kong Polytechnic University and will be held on 4-5 January, 2010 in Hong Kong.

This conference will mainly focus on the ethics and policy research, with an emphasis on the interplay of two or more of the major focus areas. The program committee especially encourages research papers in non-traditional topics.
