Hong Kong (China), 4th-5th January 2010: The 3rd International Conference on Ethics and Policy of Biometrics and International Data Sharing

EU-funded RISE Consortium(Rising pan-European and international awareness of biometrics and security ethics), in collaboration with the Hong Kong Polytechnic University, is organising the "3rd International Conference on Ethics and Policy of Biometrics and International Data Sharing" to be held in Hong Kong (China) on 4th-5th January 2010.

As the usage of biometrics is becoming popular, more concerns about ethics, privacy and policy implications are being raised. The conference will focus on those concerns.
